

“An ice-cream truck experience — reimagined for groceries, delivered to your community”

Free Add-On Amenity

Gogo Grocer brings a scheduled, full-service mobile grocery storefront directly to your residential community as an on-site amenity for residents.

- Residents want more convenience
- Retail options aren't walkable
- Food access affects satisfaction & retention
- Adding amenities usually means cost, space, and liability

GoGo Grocer

A Modern Grocery Amenity
— Without the Cost,
Space, or Staffing.

A Grocery Store That Comes to the Property

What residents experience:

- Scheduled daily, weekly or bi-weekly visits
- Fresh groceries & everyday essentials
- Predictable, reliable service
- No app required (but optional)

What properties experience:

- A turnkey amenity
- Zero operational involvement
- Positive resident engagement

Simple to Launch. Easy to Maintain

Step 1 — Property Alignment

We coordinate schedule, location, and community guidelines.

Step 2 — Resident Communication

We provide the Gogo Grocer Mobile App, fliers, digital copy, and signage.

Step 3 — Service Begins

Our mobile grocery storefront arrives on schedule.

Step 4 — Ongoing Operation

We handle everything — inventory, staffing, payments, logistics.

“A Turnkey Convenience for Today’s Communities.”

No Cost. No Risk. No Obligation

For property owners & managers:

- \$0 setup cost
- \$0 monthly fee
- \$0 revenue dependency
- No exclusivity required

Designed for Diverse Portfolios

Works well for:

- Multifamily communities
- Senior & affordable housing
- Mixed-income developments
- Workforce housing
- Urban & suburban properties

Would This Be Worth Exploring as a Resident Amenity?

A Thoughtful Addition to Your Residential Amenities
